Office Note

In this Office Endorsement No. 1050 dt/ 19th august 1907, granted to Ayyasami Deekshit, recipient of the Jasdik allowance payable to the Sri Jambukeswaraswami temple at Jambukeswaram, he was informed that the Jasdik amount payable for 1907-08 will be paid to him when he comes here to present Prasadam to H H the Maharaja in connection with the Swami festival.

He now states that he is very ill & consequently not able to move about & prays that the Jasdik may be remitted to him

File No. of 190 | Muzrai Secretariat.

the stipulated Services in the temple, & that as soon as he is better he will come personally & request.

Submitted for O. C.

He says in a former Petition that he sent the Prasadam by post to His Highness.

As he pleads serious illness which prevents him from coming in person, please draw the usual amount and send it to him

KARNATAKA PRESS, BANGALORE —1896

His Excellency Sir K. Seshadri Iyer, K. C. S. I.,

Dewan of Mysore.

The Most Humble Petition of Ayyargalayyar Srikanta Dikshitor, son of Sadasiva Dikshitar, Principal Stalathar of Sri Jumbukeswara Devasthanam,

TRICHINOPLY.

Most Respectfully Sheweth :—

The Petitioner has with him a copper-plate Sannad, dated Saka Samvat 1674, granted by the then Mysore Sovereign, Nanja Raja, assigning as Inam to the Petitioner's ancestors the *melvaram*, worth Rs. 6085 per annum, of the two villages of Kondayampet and Thimmaraya Samudram (then part of the Mysore Raj) for the performance of certain religious services in the Sri Jumbukesvara Temple.

2. After some years, owing to causes which cannot now be definitely ascertained, the said Inam was lost and the services in the Temple ceased to be performed. This circumstance coming to the notice of His Highness the Maharajah Sri Krishna Raja Wodayer in 1817, on a representation of the Petitioner's ancestor, Sadasiva Dikshitar, His Highness was graciously pleased to grant a fresh Sannad, dated the 11th January 1817, assigning in lieu of the lapsed Inam villages an annual cash allowance of 500 Kantiroy Varahas from the then Haradanahalli Taluq for the performance, in perpetuity, of certain stipulated services in the Temple through the said Sadasiva Dikshitar and his descendants. A copy of the Sannad is herein enclosed and the Petitioner is prepared to produce the original whenever called upon to do so.

3. About 25 or 30 years ago, owing to litigations in the Petitioner's family, the Petitioner's father and uncle were not able to come to Mysore to receive the Tasdik money for the conduct of the religious services in question which also then ceased to be performed.

4. The Petitioner now prays that the annual allowance granted by His Highness the Maharajah Krishna Raja Wodayar may be graciously renewed hereafter for the performence of the services stipulated in the Sannad.

5. On the 8th instant, the Petitioner submitted an Arzi on this behalf to the Muzaroi Secretary to Government, who, on the very same day, gave in reply an Endorsement to the effect that an annual allowance of Rs. 104—12—0 only has been confirmed to the Sri Jumbukesvara Temple at the Inam Settlement and that no further amount can now be granted. The Endorsement, No. 408, dated 8th September 1896, is herewith submitted.

6 While praying for the gracious re-consideration of the above order of the Muzaroi Secretary, the Petitioner most respectfuly begs to state that it is not known on what Sannad the grant of Rs. 104—12—0 therein referred to is based. It is quite possible that grant has been assigned on the basis of some other Sannad held by another Sthalathar of the Jumbukesvara Temple for the performance of other services in the same Temple. It is the Petitioner's humble belief that there is no connection whatever between the allowance of Rs. 104—12—3 now paid to

the Temple in accordance with the Inam Settlement and the grant of 500 Varahas assigned to the Petitioner's ancestor under the Sannad of the 11th January 1817; for, as already mentioned in para 8 above, owing to litigations in the Petitioner's family, neither the Petitioner's father nor his uncle was able to produce the said Sannad for enquiry at the Inam Settlement. If, on the other hand, it is ascertained from Government Records that the Sannad in question *had been* produced and disposed of at the Inam Enquiry, the Petitioner has indeed no right, nor has he any intention to re open the question at this distance of time.

7. The Petitioner's most humble prayer, therefore, is that, if according to his belief, the Sannad of the 11th January 1817 had *not* been produced at the Inam Enquiry. Your Excellency will be graciously pleased to take the Sannad now into consideration and order the revival of the grant for the offering of prayers and the performance of other religious services for the prosperity of His Highness the Maharajah and family in the Sri Jumbukesvara Temple which is so well renowned for its sanctity throughout India.

For which act of grace, the Petitioner will ever feel in gratitude bound.

Your Excellency's Most Obedient Servant,

KARNATAKA PRESS, BANGALORE.—1896

MOST RESPECTFULLY SHEWETH :—

The Petitioner has with him a copper-plate Sannad, dated Saka Samvat 1674, granted by the then Mysore Sovereign, Nanja Raja, assigning as Inam to the Petitioner's ancestors the *melvaram*, worth Rs. 6085 per annum, of the two villages of Kondayampet and Thimmaraya Samudram (then part of the Mysore Raj) for the performance of certain religious services in the Sri Jumbukesvara Temple.

2. After some years, owing to causes which cannot now be definitely ascertained, the said Inam was lost and the services in the Temple ceased to be performed. This circumstance coming to the notice of His Highness the Maharajah Sri Krishna Raja Wodayer in 1817, on a representation of the Petitioner's ancestor, Sadasiva Dikshitar, His Highness was graciously pleased to grant a fresh Sannad, dated the 11th January 1817, assigning in lieu of the lapsed Inam villages an annual cash allowance of 500 Kantiroy Varahas from the then Haradanahalli Taluq for the performance, in perpetuity, of certain stipulated services in the Temple through the said Sadasiva Dikshitar and his descendants. A copy of the Sannad is herein enclosed and the Petitioner is prepared to produce the original whenever called upon to do so.

3. About 25 or 30 years ago, owing to litigations in the Petitioner's family, the Petitioner's father and uncle were not able to come to Mysore to receive the Tasdik money for the conduct of the religious services in question which also then ceased to be performed.

4. The Petitioner now prays that the annual allowance granted by His Highness the Maharajah Krishna Raja Wodayar may be graciously renewed hereafter for the performence of the services stipulated in the Sannad.

5. On the 8th instant, the Petitioner submitted an Arzi on this behalf to the Muzaroi Secretary to Government, who, on the very same day, gave in reply an Endorsement to the effect that an annual allowance of Rs. 104—12—0 only has been confirmed to the Sri Jumbukesvara Temple at the Inam Settlement and that no further amount can now be granted. The Endorsement, No. 408, dated 8th September 1896, is herewith submitted.

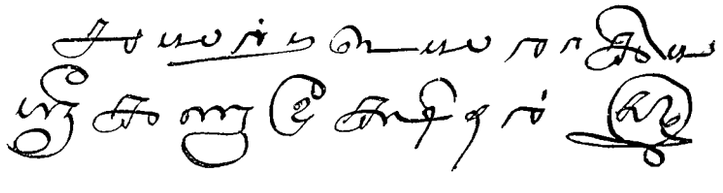
6 While praying for the gracious re-consideration of the above order of the Muzaroi Secretary, the Petitioner most respectfuly begs to state that it is not known on what Sannad the grant of Rs. 104—12—0 therein referred to is based. It is quite possible that grant has been assigned on the basis of some other Sannad held by another Sthalathar of the Jumbukesvara Temple for the performance of other services in the same Temple. It is the Petitioner's humble belief that there is no connection whatever between the allowance of Rs. 104—12—3 now paid to

the Temple in accordance with the Inam Settlement and the grant of 500 Varahas assigned to the Petitioner's ancestor under the Sannad of the 11th January 1817 ; for, as already mentioned in para 3 above, owing to litigations in the Petitioner's family, neither the Petitioner's father nor his uncle was able to produce the said Sannad for enquiry at the Inam Settlement. If, on the other hand, it is ascertained from Government Records that the Sannad in question *had been* produced and disposed of at the Inam Enquiry, the Petitioner has indeed no right, nor has he any intention to re open the question at this distance of time.

7. The Petitioner's most humble prayer, therefore, is that, if according to his belief, the Sannad of the 11th January 1817 had *not* been produced at the Inam Enquiry, Your Excellency will be graciously pleased to take the Sannad now into consideration and order the revival of the grant for the offering of prayers and the performance of other religious services for the prosperity of His Highness the Maharajah and family in the Sri Jumbukesvara Temple which is so well renowned for its sanctity throughout India.

For which act of grace, the Petitioner will ever feel in gratitude bound.

Your Excellency's Most Obedient Servant,



KARNATAKA PRESS, BANGALORE.—1896

But from the Revised Jasdik Patti prepared in the year Vikrama (1820-21) it is clear that the allowance of 500 pagodas was reduced to 60 pag under the orders of His Highness the late Maha Krishnaraja Wodayar III and it therefore seen that the Sanad of 1817 was only acted upon fo period of 3 years, ending with the 24th of April, the date on which the Revised Jasdik Patti has been issued. The temple was in receipt of these 60 pagodas for about 6 years, when the amoun was further reduced by 4 pagodas as noted in the Nagada Lavajama Patti of the year Vyaya (1825-26). This amount of 56 pagodas a y was being paid until the year 1831, when unde the orders of His Highness the late Maharaja Krishna Raja Wodayar III, dated 23rd August 18 (i.e, two months before the assumption of the State the British which is reported to have taken pla on the 18th October 1831) the Jasdik payable the temple was finally fixed at 36 pagoda or Rs 104-11-8, a year and the payment of th latter amount is being continued up to date.

In conclusion, I beg to observe that all these reductions have been noted in a num Lavajama pattis preserved in the Revenue Records, the orders of His Highness the late Maharaja Krishnaraja Wodayar III being cited as authorities for the same although th scheme is popularly styled as Dasappa Lavajama.

2-12-96

Mayor Secy

I think another copy should be given to the Petr. when the Sannad of 1817 was at all acted upon by him for so many years. When Daicharya's grant was mentioned as a deduction in his Scheme - Did he abolish it

25/10/96

Endorse - under the Govt. orders for 1817 for Comptr. to continue the deduction of 500 Pagodas - This grant was not taken into account in fixing the Peishcush - Whether it was free hold or service Inam - Whether it was resumed at any time - What is the present Status (1831) of the 96 Pagodas - If it was free hold and is continued - Petr. is to produce the Sannad - Petn. to be returned - 16.1.97

a/c 1830 31

With reference to the above, I beg to submit that the Sannad of 1817 referred to in the Pe and under which the petitioner claims Jasdik of 500 pagodas per annum for a temple at Jambukeswara, appears from the Records to be a genuine one, it having been referred to in detail in the "Shaka Aural Patti" of the Fasli in the "Shaka Dhatu (1817)

Office of the Government of Mysore,
Muzrai Department,
Dated Bangalore 27th January 1897

Read Petition No 804 of 24th Novr 96
~~Endorsement granted to~~
from Ayyaragalayyer Sreecanta Deekshitar, son of Sadasiva Deekshitar, Principal Sthalathar of the Sri Jambukeswaraswami Temple at Jambukeswara, Trichinopoly ~~District;~~ ~~in reply to his Petition,~~ ~~Registered No~~ 804 ~~dated 21st November 1896~~, praying for the revival of the Muzrai Ready Money Allowance of 500 Pagodas a year, granted to the Sri Jambukeswaraswami temple as per Sannad dated 11th January 1817 issued to Sadasiva Deekshitar, an ancestor of the Petitioner by His Highness the late Maharaja

Krishnaraja Wodayer III.

Order No. 852 of 26-1-9

The Petitioner is informed that the Government are unable to comply with his prayer as the grant in question appears from the records never to have been in full force and effect at any time and to have been finally reduced in 1831 to only 36 Pagodas at which figure it is still continued to be paid according to the Inam Settlement.

The Petition is accordingly rejected.

MATRICULATION EXAMINATION 1893.

MONDAY, 18TH DECEMBER, 10 A.M TO 1 P M

RITHMETIC.

N B —(1) *Answers in money must be stated in £ s d or in Rs a p , as the case may be, and not as fractions of £1 or of Re 1* (2) *The process by which each result has been obtained must be given in full*

I Simplify $\frac{3\frac{3}{17} - \frac{6}{11} - 2\frac{2}{11} \times 1\frac{1}{8}}{4\frac{4}{11} - 1\frac{1}{7} \text{ of } 1\frac{1}{17} - \frac{4}{7}} \times \frac{\frac{2}{7} - \frac{1}{9}}{\frac{5}{9} + \frac{1}{7}}$

II Divide 2 01171875 by 000064375, and express $\frac{1}{1700}$ as a recurring decimal

III If a cubic yard of brick weighs a ton and a half, find the weight of a million bricks each measuring 15in. by $4\frac{1}{2}$in. by $2\frac{1}{4}$in.

IV Find the value of ·013125 of Rs 29-2-8

V Find by any method the cost of 21 tons 13cwt. 3qrs 26lbs of coal at Rs.40-13-4 per ton.

VI. A person sent £100 to the bank on the 1st of January, 1890, £200 on the 1st of January, 1891, and £250 on the 1st of January, 1892 If the bank allowed him compound interest at the rate of 5 per cent. per annum, find how much he had at his credit on the 1st of January, 1893.

VII A merchant wishing to clear out his old stock sells one lot of goods at a reduction of 10 per cent , another at a reduction of 25 per cent , and a third at a reduction of 50 per cent on the usual prices He realises Rs 540, Rs 645, and Rs 375 for these lots respectively, and finds that on the whole he has loss of $2\frac{1}{2}$ per cent on the price paid by him for the goods What would he have gained per cent if he had sold the goods at the usual rate ?

VIII It takes $7\frac{1}{2}$ yards of cloth to make a suit of clothes In Madras the cost of cloth is Rs 4-8 a yard, and the cost of making amounts to 15 per cent of the cost of the cloth In London the cost of the same kind of cloth is 5s a yard, and the cost of making amounts to 40 per cent of the cost of the cloth, while the cost of carriage from London to Madras amounts to 5 per cent of the price of the made-up clothes If exchange is at 1s $3\frac{3}{4}$d per rupee, find how much a person living in Madras will save by ordering a suit of clothes locally instead of sending to London for it

IX A person buys a square field containing $22\frac{1}{2}$ acres for Rs 10,000, and surrounds it with a fence costing Rs 2-13-4 a yard At what annual rental per acre must he let the field so as to get a return of $6\frac{1}{4}$ per cent on his outlay ?

X In 1890 the gross earnings of a certain railway amounted to 63 lakhs of rupees, of which the working expenses absorbed 58 per cent In the same year the gross earnings of another railway amounted to 88 2 lakhs, of which the working expenses absorbed 52 per cent If the capital outlay on the first railway was $\frac{7}{12}$ of the capital outlay on the second, and if the net earnings of the former amounted to 3 6 per cent of the capital outlay, find what percentage of the capital outlay the net earnings of the second amounted to

XI In September, 1892, the daily readings of the barometer at Bombay were as follows —

Day	Reading	Day	Reading	Day	Reading
1	29 662	11	29 688	21	29 720
2	29 591	12	29 696	22	29 743
3	29 600	13	29 770	23	29 701
4	29 673	14	29 862	24	29 717
5	29 685	15	29 874	25	29 782
6	29 724	16	29 839	26	29 776
7	29 741	17	29 767	27	29·790
8	29 760	18	29 763	28	29 810
9	29 719	19	29 742	29	29 843
10	29 684	20	29 698	30	29 769

Find to the nearest thousandth of an inch the mean of the daily readings for the month , and write down the excess or defect of the daily reading from the mean on each of the following days —5, 8, 15, 29.

N B —The figures in the above table need not be copied out by the candidate.

Find to the nearest thousandth of an inch the mean of the daily readings for the month and write down the excess or defect of the daily reading from the mean on each of the following days :- 5, 8, 15, 29.

Adding the daily readings of all the days together we get 189

By dividing 342·189 by 30 we get the mean = 29·7396 --

The mean reading of the month to the nearest thousandth of an inch = 29·740 ins

Excess on the 5th day = 29·740 − 29·685 = ·055 inch

Excess on the 8th day = 29·760 − 29·740 = ·02 inch

Excess on the 15th day = 29·874 − 29·740 = ·134 inch

Excess on the 29th day = 29·843 − 29·740 = ·103 inch

1892

N. B. Answers in money must be stated in £-s-d Rs-as-p as the case may be and not as fractions £1 or R1.

cost outlay of the first railway was $\frac{7}{12}$ of the capital outlay on the second and if the net earnings of the former amounts to 3.6 per cent of the capital outlay find what percentage of the capital outlay the net ... of the second com amounted to.

The gross earnings of the first = Rs 6300000

$\therefore$ Nett income of the first = $\frac{6300000}{100} \times 42$ = Rs 2646000

The gross earnings of the second = Rs 8820000

$\therefore$ Nett income of the second = $\frac{8820000}{100} \times 48$ = Rs 4233600

Rs 2646000 is $\frac{3\frac{3}{5}}{100}$ of the original outlay.

The original outlay of the first = $\frac{2646000 \times 100 \times 5}{18}$

= Rs 73500000

The original outlay of the second = $\frac{105}{7} \times 12$

Rs 126000000.

Net income on Rs 126000000 is Rs 4233600

Net income on Rs 100 is $\frac{4233600}{126000000} = 3.36$

In September 1892 the daily receipts of the boro-

In Madras.

the cost of cloth $= \frac{15}{2} \times \frac{9}{2} = \frac{135}{4} = Rs\ \frac{135}{4}$

Cost of making : $\frac{135}{4} \times \frac{15}{100} = Rs\ \frac{81}{16}$

Total cost of the suit of cloth $= \frac{135}{4} + \frac{81}{16} = \frac{540 + 81}{16}$

$= Rs\ \frac{621}{16} = Rs\ 38-13-0$

In London.

$183\frac{3}{4}$ d or £ $\frac{21}{320}$ = Re 1

£ 1 = Rs $\frac{320}{21}$

£ 0-5-0 = $\frac{320}{21} \times \frac{1}{4}$ = Rs $\frac{80}{21}$

Cost of cloth = $\frac{15}{2} \times \frac{80}{21} = Rs\ \frac{200}{7}$

Cost of Carriage : $\frac{280}{7} \times \frac{5}{100} = Rs\ \frac{14}{7}$

Total cost of the ~~cloth~~ suit of cloth

$\frac{200}{7} + \frac{80}{7} + \frac{14}{7} = \frac{294}{7} = Rs\ 42-0-0$

The saving of the man = Rs 42 - Rs $38\frac{13}{16}$

= Rs 3-3-0

70% of the usual price is Rs 540

∴ The usual price is Rs $\frac{540 \times 100}{90}$ = Rs 600

In the second case.

75% of the usual price is Rs 645

∴ The usual price is Rs $\frac{645 \times 100}{75}$ = Rs 860

In the third Case.

50% of the usual price is Rs 375

∴ Therefore the usual price is Rs 750

∴ His usual price for all the goods Rs 2210

But he has sold them for 540 + 645 + 375 = Rs 1560

By the sum $97\frac{1}{2}$% of the C.P is Rs 1560

∴ His C.P is $\frac{1560 \times 100 \times 2}{195}$ = Rs 1600

∴ Now. His gain on 1600 is 2210 − 1600 = Rs 610

∴ Gain on 100 is $\frac{610}{16}$ = $38\frac{1}{8}$%

It takes $7\frac{1}{2}$ yds of cloth to make a suit of clothes. In Madras the cost of cloth Rs 4-8 a yard and the cost of making amounts to 15% of the cost of cloth. In London the cost of the same kind of cloth is 5 s a yard. and the cost of making amounts to 40% of the cost of the cloth while of carriage from London to Madras amounts the price of the made-up clothes. Of exchange 8 pd per rupee find how much a person saves ordering a suit of

I purchase 16 lbs of tea at 18d. 14 at 28d and 17 at 18d Seven pounds of the mixture becoming Spa have to be sold at a low price. but by selling half the remainder at 2s 4d per lb and the other half at 18½d I eventually make a profit of 25% on the original outlay. At what price per pound was the spoiled tea sold.

16 lbs of tea @ 18d cost £ 1-5-4
14 lbs of tea @ 28d cost £ 1-10-4
17 lbs of tea @ 18d cost £ 1-8-4

Original outlay is £ 4-4-0.

Gain is £4-4-0 × 25/100 = £ 1-1-0.

∴ Total S.P is £ 4-4-0 + £ 1-1-0 = £ 5-5-0

S.P of 20 lbs @ 28d = £ 2-6-8
S.P of 20 lbs @ 18½d = £ 1-12-6

£ 3-19-2.

Remainder £5-5-0 - £3-19-2 = £1-5-10 is the S.P of the 7 lbs of spoiled tea

∴ S.P of 1 lb of spoiled tea = £1-5-10 / 7 = 3s 8½d

1893.

I (172.) Simplify :-

$$\frac{3\frac{3}{17} \div \frac{6}{11} - 2\frac{2}{11} \times 1\frac{1}{8}}{4\frac{4}{11} - 1\frac{1}{7} \text{ of } 1\frac{1}{17} \div \frac{4}{7}} \times \frac{\frac{2}{3} - \frac{1}{2}}{\frac{2}{2} + \frac{3}{2}}$$

Now if £ 100 be the Sum Int is 9·2727 or $\frac{92727}{10,000}$

£ 1 — $\frac{92727}{10,000 \times 100}$

$\frac{9430}{3}$ — $\frac{92727}{10,000 \times 100} \times \frac{9430}{3}$

$= \frac{29147187}{100,000} = 291.47187$

$= £\ 291-9-5\frac{311}{1250}$ ans

A cistern can be filled by three pipes in 30, 40 and 60 minutes respectively and emptied by an escape pipe in half an hour. The three taps were turned on at noon but the escape pipe is at the same time accidentally left open and not closed for a quarter of an hour. At what time will the cistern be full?

If all the 4 pipes are simultaneously opened for 1' then $\frac{1}{30} + \frac{1}{40} + \frac{1}{60} - \frac{1}{30} = \frac{4+3+2-4}{120} = \frac{5}{120} = \frac{1}{24}$ cistern will be filled

∴ If they are open for 15' then $\frac{1}{24} \times 15 = \frac{15}{24}$ cistern is full

Then the Rem is $1 - \frac{15}{24} = \frac{9}{24}$ cistern is to be filled

In 1' the 3 pipes convey $\frac{1}{30} + \frac{1}{40} + \frac{1}{60} = \frac{4+3+2}{120} = \frac{9}{120}$

To fill $\frac{9}{120}$ of the cistern it takes 1'

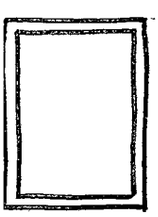
Remaining area to be whitewashed = 159-108 = 651 Sqft
or $\frac{651}{9}$ Sqyds.

But Cost of whitewashing 1 Sq yd = 1 anna or R $\frac{1}{16}$

∴ Cost of whitewashing $\frac{651}{9}$ Sq yds = $\frac{651^{217}}{9_3 \times 16}$ = $\frac{217}{48}$ = Rs 4-8-4 ans

Area of the Carpet alone =

$\frac{33}{2} \times \overset{6}{\cancel{6}}3$ = 99 Sqft = 11 Sq yd



But the cost of 1 Sq yd of Carpet = Rs 4

∴ the Cost of 11 Sq yds of Carpet = Rs 44

Area of the border alone =

45 × 3 = 135 Sqft
12 × 3 = 36 Sqft
171 ~~189~~ Sqft or $\frac{171}{9}$ = 19 Sq yds

But the cost of 1 Sq yd of border = Rs 6

∴ the cost of 19 Sq yds of border = 19 × 6 = Rs 114

But the Cost of the whole carpet = Rs 44

∴ The total Cost of Carpet thing with border = Rs 158 ans

Rs 4-8-4 } ans
Rs 158-0-0 }

169. Find the Comp Int on £ 3143-6-8 for 3 years @ 3% per
Let the Sum be £ 100

How long will it take to walk round a square field of 4 acres 1 rood 24 poles in extent at the rate of 3 miles an hour?

$1 4 \times 4840 = 67760$ sq yds

1 rood $= 1210$ sq yds

24 poles $= \frac{24 \times 121}{4} = 726$ sq yds

Area of the field $= 69696$ sq yds

One side of the field $= \sqrt{69696}$

$= 264$ yds

$$\begin{array}{r|l} 4 & 69\,\overline{69}\,\overline{96} \\ \hline 46 & 296 \\ & 276 \\ \hline 524 & 2096 \\ & 2096 \\ \hline & \times \end{array}$$

Total perimeter of the field $= 264 \times 4 = 1056$ yds

$= \frac{1056}{1760}$ miles

To walk 3 miles it takes 1 hr

$\frac{1056}{1760}$

$\frac{1}{3} \times \frac{1056}{1760} = \frac{1}{5}$ hr $= 12$ minutes

ans

Find the cost of whitewashing a room $22\frac{1}{2}$ ft $\times$ 12 ft and 11 ft high at one anna per sq yd making allowance for four windows each 4 ft $\times 2\frac{1}{2}$ ft and two doors each $2\frac{1}{2}$ ft $\times$ 4 ft. Find also the cost of carpetting the same room with a 3 ft border all round the carpet costing Rs 4 per sq yd and the border Rs 6.

4 walls of the room $= (45 + 24)11 = 69 \times 11 =$ 759 sq ft

4 windows of the room $= \frac{4 \times 5 \times 5}{2} =$ 40 sq ft

2 doors of the room $= \frac{12 \times 4 \times 2}{2} =$ 68 sq ft

In a certain year the total amount by a railway company for the carria passengers was Rs 2751000. Of this sum contributed by first class passengers

1 adult = $\frac{5}{2}$ child. 2 adults = $\frac{5}{2} \times 2 = 5$ child
2 adult + 3 ch = 8 children.
Similarly 3 ad + 5 chil = $12\frac{1}{2}$ children.

$$\left.\begin{array}{l} 8 : 12\frac{1}{2} \\ 345 : 144 \\ \frac{147}{10} : \frac{154}{10} \end{array}\right\} :: \frac{1127}{16} : ?$$

$$\frac{\frac{25}{2}}{2} \times \frac{\cancel{147} \times \cancel{154}}{\cancel{10}} \times \frac{\cancel{1127}}{\cancel{16}} \times \frac{1}{8} \times \frac{1}{\cancel{345}} \times \frac{\cancel{16}}{\cancel{147}}$$

$$= \frac{385}{8} = \text{Rs } 48 \cdot 2 - 0$$

On what Sum due 1 year 4 months hence does the true discount amount to £ 100 18-9 Sing but being reckoned at $4\frac{3}{4}$% per annum :

$4\frac{3}{4}$ or $\frac{19}{4}$ is the int on 100 for 1 year
∴ $1\frac{1}{3}$ or $\frac{4}{3}$ year the int is $\frac{19}{4} \times \frac{4}{3} = \frac{19}{3}$
Now if $100\frac{19}{3}$ or $\frac{319}{3}$ be the amount the dic is $\frac{19}{3}$
(ie) If $\frac{19}{3}$ be the discount the sum is $\frac{319}{3}$

If £ 100-18-9 or $\frac{1615}{16}$ ——— $\frac{319}{3} \times \frac{3}{19} \times \frac{\cancel{1615}}{\cancel{16}}$ 85

= 27115. £ 1694-13-9

M. No. 1919 & 1920

Mysore Govt.
Muz: Secretariat
Bangalore 7th Jany 1904

Endorsement granted to Ayyasami Deekshit recipient of the Jasdik amount of Rs payable from the Mysore State for H.H. the Mysore Maharaja's Charities in the Sri Jambukeswaraswami temple at Jambukeswara, Trichy Dt

In reply to his Petition dated 12th Nov. 1903, submitting explanation in the matter of presenting Basadam to H.H. the Maharaja in 1903.

Deekshit is informed that in view of the explanation submitted, orders have been issued to the Dy Comm. of the Mysore Dt to disburse the Jasdik allc of Rs 104-12-0 due to the Sri Jambukeswaraswami temple at Jambukeswara for 1903

2. In future, the practice of presenting Basadam in person to H.H. the Maharaja at the time of Dasara of every year should be implicitly followed. At the time of applying for payment of the annual allc, a certificate from the temple authorities as to whether the services on account of which the allc in question is made by the Mysore State are duly rendered in the temple should invariably be produced.
